Statement of Intent

We are committed to providing a caring, friendly, and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a TELLING school. This means that anyone who knows that bullying is happening is expected to tell the staff.

What is Bullying?

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim.

Bullying can be:

- **Emotional:** being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- **Physical:** pushing, kicking, hitting, punching or any use of violence.
- **Racist:** racial taunts, graffiti, gestures.
- **Sexual:** unwanted physical contact or sexually abusive comments.
- **Homophobic** because of, or focusing on the issue of sexuality.
- **Verbal:** name-calling, sarcasm, spreading rumours, teasing.
- **Cyber:** all areas of internet, such as e-mail and internet chat room misuse. Mobile threats by text messaging and calls. Misuse of associated technology i.e. camera and video facilities.

Why is it important to respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.

Role of Staff

The Headteacher:

The Headteacher has a legal duty under the School Standards and Framework Act 1998 to draw up procedures to prevent bullying amongst pupils and will endeavour to:

- ensure that all staff have opportunities to discuss strategies and review them regularly;
- determine the strategies and procedures in the policy;
- discuss development of the strategies with the Senior Leadership Team;
- ensure appropriate training is available;
- ensure that the procedures are brought to the attention of all staff, volunteers, parents, carers and pupils and report to the Governing Body.

- be observant and talk to pupils;
- deal with incidents according to the policy;
- never let any incidence of bullying pass by unreported, whether on-site or during an off-site activity;

In any incident of bullying, staff are aware of the following principles:

- It is important that children who experience bullying can be heard.
- It is important to note that people react differently to bullying and it is often very difficult to tell if someone is upset or hurt.
- If children feel upset, they are encouraged to speak to their teacher or a responsible adult at an appropriate time or put a note in the confidential worry box.
- It must be emphasised to the children that they should NEVER take the law into their own hands and should remember that physical aggression is not acceptable.
- They should be reassured that the adult will try to sort out the problem as calmly as possible.
- The most serious incidents are referred to the Headteacher.
- Parents/carers will be requested to come and discuss matters.
- The incident would be noted down and put on CPOMS in the child's folder.
- Pupils will be told always to report incidents of bullying.

Reporting and Recording

- All incidents must be reported and recorded in full on CPOMS.
- The Headteacher will report incidents of bullying and responses to the Governors through the termly Report to Governors.

Anti-Bullying Education in the Curriculum

- The school will raise the awareness of the anti-social nature of bullying through the PSHE curriculum, the Religious Education curriculum, KidSafe, assemblies, Collective Worship and in liaison with the School Council and Mini Vinnies.
- The PSHE subject leader and other subject leaders are responsible for initiating and developing an anti-bullying programmes as part of the wider curriculum
- Teachers are responsible for introducing anti-bullying material in their programmes of study as appropriate.
- Changing the attitudes and behaviour of bullies will play a major part in the strategies used by the school.

Children's Emotional Literacy is developed by teaching them a wide vocabulary of words for emotions and by using visual images like 'The Blob Tree' for example. We believe that this makes them better able to express and understand feelings, improving empathy and helping them to resist attempts at bullying. We also consider that being able to understand and express emotions reduces conflict between children and makes them less inclined to misinterpret the actions of others, which can be a factor in bullying.

Supporting Pupils

➤ Bullied Pupils:

Staff who deal with pupils who have been bullied must always offer reassurance. Pupils who have been bullied will be given support.

➤ Bullies: It is recognised that support must also be given to the perpetrator/s. Changing the attitude and behaviour of bullies will be part of the responsibility of the positive procedures used by the school. However, the school recognises that sanctions will also have to be used against bullies when positive approaches do not work.

All the children concerned should be fully involved in the discussions leading up to the solution and should not be left feeling isolated. Honest group discussions that involve both bullied and bully with other children of their choice attendant and encouraged to participate, help the children to resolve the matter themselves with support and vigilance from the staff and is the most effective way. Parents will need to be kept fully informed.

Sanctions

Where pupils do not respond to preventative strategies to combat bullying, tougher action will be taken to deal with persistent and violent bullying. Sanctions are determined by the nature of the bullying on a case to case basis.

Sanctions might include:

- Writing a letter of apology
- Removal from the group (in class);
- Withdrawal of break and lunchtime privileges;
- Withholding participation in any school trip or sports events that are not an essential part of the curriculum;
- Fixed term and permanent exclusion from school.

An exclusion would only be considered in a case of extreme and continuing bad behaviour, bullying, sexual harassment etc. Any exclusion for even a short period would be discussed and agreed by the Chair of Governors and the Head.

Involving Parents and Carers

- Parents and carers, as well as all staff and pupils, should know that the school will not tolerate bullying, and takes a positive, active approach to educating pupils to combat it. Parents will be informed of the policy and procedures.
- Parents and carers of pupils who are being bullied and parents of the bullies will be involved in the solution to the problem as appropriate.

Involving Pupils

- Pupils will be involved in the positive strategies through both the school council and Mini Vinnies. Pupils will have an input into the anti-bullying strategy.
- A major part of the strategy will consist of educating pupils in how to cope with bullying.
- Pupils must know to whom they should go if they are being bullied or if they are concerned about another child.

Monitoring

The Head and the Senior Leadership Team will consider reports of bullying to determine what can be learned from the incidents and how they were handled, with a view to improving the school's strategies. These reports will also enable patterns to be identified. The Headteacher will report to the governing body termly.

The school recognises that many pupils have mobile phones and other technology outside school and to that end:

- the school arranges for internet safety sessions to be delivered regularly to all pupils
- the school arranges for regular internet safety information updates to be given to parents and carers
- staff have a duty to make sure that they are familiar with their role in dealing with cyber bullying.
- victims should keep all communications as evidence for tracing and possible police action.
- the school has an Acceptable Use Policy for the use of technology and access is screened by a variety of blocks which are updated regularly.
- Teachers must teach safe internet use and strictly apply all school policies.

St Joseph's believes that parental support and understanding in safe use of the net is an essential component in managing cyber bullying. The use of the web is an essential part of modern life and the young are the pioneers.

Balance and perspective are essential as is a whole community approach to ensuring safe use of the internet. The responsibility for this is both the school's in educating their pupils for safe use on the internet, and the parents and carers' in understanding that they need to monitor and manage their children's use of the internet and technologies.

Children should understand that they must tell an adult if they are being bullied in these ways, that they should not delete any bullying messages or texts, but they should never respond to these.

This policy should be read in conjunction with other relevant school policies including:
